NIGHTS IN MONACO

Nights in Monaco will deliver two high-profile events that will be delivered from 2012 - 2013. The first event will take place in **Monaco** during the Cannes Film Festival and the second in **Los Angeles** during the Golden Globes.

The gala in Monaco will take place on May 23, 2012 and will transport guests back to an era of allure and prestige - an era known as the "Golden Age of Hollywood".

A period in time where American Cinema introduced the world to Hollywood "Royalty" such as Humphrey Bogart, Lauren Bacall, Elizabeth Taylor and Richard Burton - and a time when Princess Grace Kelly of Monaco bridged the gap between Hollywood and true Royalty. It was a time that lasted from the end of the silent era in American cinema in the late 1920s to the early 1960s.

A time where true Royalty, heads of state and movie stars regularly socialized.

NIGHTS IN MONACO

The evening will begin with a private VIP reception at 7 O'clock with both HSH Prince Albert II of Monaco and President William J Clinton in attendance.

Followed by
a magnificent dinner at the Hotel de Paris from 8.30 O'clock onwards.

There are only 25 dinner tables available.

Tables of 10 will be offered at three price levels:
\$100,000, \$50,000 and \$35,000 each.

The evening will feature many guest musical performances and after dinner will move to the newly renovated Winter Jimmy's at the Place du Casino for the after party and featured musical performance.

Throughout the evening guests will be invited to bid on rare and once-in-a-lifetime experiences to raise money for the Prince Albert II of Monaco Foundation & the William J. Clinton Foundation.

NIGHTS IN MONACO

NIGHTS IN MONACO

The Prince Albert II of Monaco Foundation (Official name: Fondation de Prince Albert II de Monaco) is a Monaco based charity, which has donated millions in various environmental projects. The Foundation was initially created in 2006 by H.S.H. Prince Albert of Monaco and it concentrates on environmental protection, sustainable development, climate change and the promotion of renewable energies as well as biodiversity.

The **William J. Clinton Foundation** is a foundation established by former President of the United States Bill Clinton with the stated mission to "strengthen the capacity of people throughout the world to meet the challenges of global interdependence." The Foundation focuses on four critical areas: health security; economic empowerment; leadership development and citizen service; and racial, ethnic and religious reconciliation. The Foundation works principally through partnerships with like-minded individuals, organizations, corporations, and governments, often serving as an incubator for new policies and programs.
